bpv BRAUN PARTNERS CELEBRATING 10 YEARS IN PRACTICE

bpv BRAUN PARTNERS celebrated its 10th anniversary on June 15, 2016 at Mánes.

The party where bpv BRAUN PARTNERS celebrated its milestone anniversary and business success took place in the newly renovated Mánes Exhibition Hall over the Vltava River on Žofínský Island, which also served as the inspiration for the Roaring Twenties theme for the evening.

About 250 clients, friends and partners were in attendance, most of them sporting 1920s styles. They spent an evening enjoying the arts, with painting, music from the period and video. The high point of this visual feast came when the awards were announced for best gentleman's and lady's costume. The fantastic jazz band, directed by the charming Petr Kroutil, perfectly captured the authentic atmosphere of the Roaring Twenties. Artistically

inclined guests (as well as the not so artistically inclined) helped create a work of art. Led by Professor Martin Mainer, guests had the opportunity to apply their imagination to a communal painting, where the only requirement was spontaneity. Together, guests created a beautiful work of art that is now on display in the bpv Braun Partners Myslbek offices. The evening also featured the world premiere of a film about bpv, presenting the firm, its partners and employees in a different light, showing the great team spirit of the Prague and Bratislava offices. The video is available on [Youtube](#).

Judging by the reactions of the guests on the evening (some of whom remained until the early morning hours) and feedback afterwards, the event was a hit. bpv is looking forward to its next 10 years working together.
